

First Colonial National Honor Society Membership Interest Packet

September 3, 2019

Dear Applicant,

The purpose of the National Honor Society is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, to develop character, and to encourage citizenship. The Independence Chapter at First Colonial High School of the National Honor Society (NHS) promotes appropriate recognition for student who reflect exemplary accomplishments in these areas and determines service projects in which members regularly participate. These service projects are intended to make a positive difference in the lives of individuals and the spirit of both the community and the school.

Membership in this chapter is an honor bestowed upon juniors and seniors. Selection for membership is by the Faculty Advisory Council and is based on the criteria of outstanding scholarship, leadership, service, and character. Once selected, members have the responsibility to continue to demonstrate these qualities. The minimum cumulative GPA for consideration is a 3.5.

The attached letter of intent affords you the opportunity to provide information about yourself to the NHS Faculty Advisory Board. Using this information, the qualities of leadership, service, character, and scholarship will be evaluated. Candidates for membership will be evaluated in all four areas; therefore, it is important that all sections are completed.

In order for you to be considered for membership, your interest packet must be completed and submitted on time. Be extremely careful to follow all of the general and specific directions on the form. Submission of an incomplete packet or failure to submit your information packet on time (this includes failure to physically hand it to one of the two advisors) will reflect poorly upon consideration by the Faculty Advisory Board.

Good luck in your quest to join the National Honor Society at First Colonial. We hope to be working with you very soon.

Sincerely,

Larry Spruill
Heather Spruill
National Honor Society Advisors

Note: Letter of Intent packets must be turned in to Mrs. Spruill (407) or Mr. Spruill (806) on or before Friday, October 4, 2019, by 2:15 pm. You must physically hand the packet to either Mr. or Mrs. Spruill. Late packets or packets placed in mailboxes or on desks will not be accepted or considered.
